2025 MUD HOUSE MARLBOROUGH ROSÉ

COLOUR

Pale blush pink.

NOSE

Vibrant tropical and fresh gooseberry notes are complemented by a hint of delicate red berry.

PALATE

A juicy and generous palate that bursts with fruit flavours, crisp acidity and a long, mineral finish.

VINEYARD REGION

Fruit for this wine was sourced from selected vineyards across the expanse of the Marlborough winegrowing region.

SOILS AND PROFILE

Our Marlborough vineyards are situated on moderately fertile glacial soils. This includes a mix of sandy loam over very deep gravels, fertile loams and clays.

VINTAGE CONDITIONS

The 2025 growing season in Marlborough had a hot start and cooled off as the season progressed. This resulted in fruit that was clean & concentrated with bright aromatics.
